**Do The Right Thing...**

*That's a Home Run...* When Jimmy said those words, you knew you were doing the right thing. As for Jimmy, he always batted a thousand. His commitment to and work on behalf of HeartShare and its mission were, and are, matched by few others. Why did he do it?

He saw little kids with disabilities, and knew they needed specialized education and therapies to improve their lives. He saw young students with the special challenge of autism and inadequate programs to help them, and knew that had to change. He witnessed the Willowbrook tragedy, and made sure that developmentally disabled adults, especially the profound and severe cases, were cared for with dignity and respect. He saw children and teens without loving and caring homes, and knew they needed protection to survive and flourish. And how did he do it?

Jimmy enlisted his family and friends— it really wasn't voluntary! He organized fun activities to raise money and, if physical labor was involved, literally rolled up his sleeves and did the work himself. The Buckley and Casey families are committed to ensuring Jimmy's legacy. Please honor his memory by helping them continue his successful efforts. Thank you.
